

FAIR TRADE POLICY

Anglian Land Drainage 2019

This is the Fair trade policy statement of of Anglian Land Drainage Ltd

1. Create Opportunities for Economically Disadvantaged Producers

ALD will endeavour to use locally based suppliers in the area the works are based to reduce our carbon footprint and support local family run business.

2. Transparency and Accountability

We will communicate our fairly traded goods policy as and when requested to all suppliers, customers, employees and the local community.

3. Fair Trading Practices

ALD source materials from locally based or nearest supplier to our area of work to help reduce the impact the transport can have on the environment, to support local community and businesses.

4. Payment of a Fair Price

ALD will negotiate fair pricing from all suppliers and to all customers.

5. Ensuring no Child Labour and Forced Labour

This is covered in our modern slavery policy, and we conduct checks on our suppliers to ensure no Child or Forced labour is evident.

6. Commitment to Non-Discrimination, Gender Equality, Freedom of Association

ALD will not discriminate against gender, ethnicity, national origin, religion, disability or sexual orientation.

7. Ensuring Good Working Conditions

ALD provide clean and safe working conditions for all staff.

8. Promoting Fair Trade

Raise awareness of the aim of Fair Trade and the need for greater justice in world trade.

9. Respect for the Environment

Maximise the use of raw materials from sustainable managed sources and buying locally where possible; reduce energy consumption and use renewable energy when possible.
